

Middle School goes to Kokomos

This year the middle school reward trip was chosen by the middle school student council members. Students who had a successful year were invited to go to Kokomos in Saginaw. Students enjoyed unlimited rides and activities as well as a pizza lunch while spending a fun day with Mr. Birchmeier, Mrs. Flowers, Mrs. Most, Ms. Stevenson and Ms. Kiefer.

Throughout the day at Kokomos, students enjoyed playing laser tag, racing go-carts, riding the roller coaster, playing mini golf as well as trying their luck to earn tickets from arcade games.
