How long have you been playing soccer? What do you like most about it?

"I've been playing soccer for 10 years. I enjoy having fun with everybody and working as a team. I count on the support of friends and teammates to help get through the season."

What is the toughest part of a match? How do you prepare?

"The third period being down by 2 points is tough. It is hard to work back and win because you know your opponent will fight just as hard as you to win. I prepare by taking a deep breath and start to bounce, immediately thinking about how this match will unfold."
