

What advice would you give middle schoolers about high school?

"Take it one step at a time."

-Luke Denman

"I would tell them to try their hardest and not to give up. No matter how bad it is it always gets better."

-Kiley Huntoon

"Leave while you can."

-Isabele Kremer

"I would tell them to stay out of drama and to try your best because once you get into high school, it changes a lot."
